Description

Infuse sophistication into any space with this contemporary metal wall clock, featuring a meticulously detailed circular frame that creates a captivating interplay of light and shadow. The substantial 80cm diameter makes this piece a natural focal point, perfect for modern industrial, minimalist, or transitional interiors. Pair with industrial-style furniture like the Draftsman Bistro Table for a cohesive look, or create an eclectic mix with the Symi Slim Table Lamp for a blend of modern and traditional elements. The versatile design complements both neutral and bold color schemes, making it an excellent choice for diverse retail environments from urban boutiques to luxury home furnishing stores.
