

Ashmount Wall Clock

Sculptural metalwork transforms walls into artistic focal points. Contemporary design meets superior craftsmanship in this statement piece. Perfect for modern commercial and residential spaces alike

- Contemporary metal clock
- Handcrafted
- Takes 1 x AA battery

Code: 21631
Dimensions: 4L x 49W x 49H

Description

A masterpiece of design, this metal wall clock merges sophisticated minimalism with architectural flair. The streamlined silhouette features precise metalwork that casts captivating shadows throughout the day, creating an ever-changing visual display. Perfect for modern industrial spaces, Scandinavian interiors, or as a statement piece in minimalist settings. This versatile timepiece pairs brilliantly with metallic accents, geometric furniture, and clean-lined décor. Consider grouping with the Rothay or Williston collections for a cohesive gallery wall, or contrast against exposed brick or weathered wood for industrial appeal. The substantial scale and refined detailing make it an ideal focal point above mantels, in open-concept spaces, or anchoring office environment.
