Multi-purpose vessel suitable for both artificial and live plants

Neutral finish adapts to diverse style preferences

Strong retail performance history

Code: 23303

Dimensions: 30L x 30W x 31H

Description

Drawing inspiration from classical Mediterranean design, this jar-shaped planter brings architectural grace to any space. Its well-proportioned silhouette features clean lines and subtle rim detailing that speaks to both traditional and modern sensibilities. Perfect for displaying artificial arrangements or live botanicals when properly lined, this vessel pairs wonderfully with the Athena Stone Hurricane Lantern for a cohesive look. Consider combining it with the Matt White Ceramic Column Candle Holder and Garda Grey Glazed Tiber Vase to create a stunning decorative ensemble. The neutral palette ensures seamless integration with existing decor while maintaining its status as a standout piece. Ideal for both retail display windows and residential installations, this planter appeals to design-conscious clients seeking statement pieces that blend artistry with functionality. Our trade partners consistently report strong customer interest in this range, making it a reliable addition to any premium home decor inventory.
