Description

Introducing a modern vessel that redefines interior aesthetics with its meticulous ribbed detailing and balanced proportions. The circular design creates a rhythmic pattern that catches light and shadow, bringing depth to any display. Perfect for both artificial and live botanicals when properly lined, this planter merges function with visual intrigue. For a curated look, pair with the Garda Grey Glazed Tiber Vase for textural contrast, or combine with Matt White Ceramic Column Candle Holders to create varying heights and visual interest. The sleek form harmonizes beautifully with the White Orchid in Stone Pot collection, while the Silver Pinecone Finials add a complementary decorative accent that enhances the overall composition. These thoughtful pairings create a cohesive retail display that appeals to design-conscious customers seeking to build coordinated collections.
