Description

Ancient grandeur meets modern décor in this majestic stone chess piece. The meticulously sculpted king figure showcases artisanal stonework with intricate detailing that catches and reflects light from every angle. Perfect for interior designers and retailers seeking statement pieces, this decorative accent works brilliantly alongside the coordinating Athena Stone Queen or the contrasting Amalfi Grey pieces from the same collection. For a cohesive display, pair with the Siena Brown Hurricane Lantern or the Ice Shadows Table Lamp to create an atmospheric corner that merges classical aesthetics with contemporary style. 1
