

Autumn Spider Chrysanthemum

A single autumnal bloom from the popular Recipe Collection.

Chosen for its realism
Handcrafted
From the popular 'Recipe Collection'

Code: 18924
Dimensions: 14L x 14W x 78H

Description

From the sought-after Recipe Collection, this remarkably detailed spider chrysanthemum showcases an enchanting ombre effect transitioning from a warm rust center to rich mangostene-hued petals. The delicate, spindly petals create mesmerizing depth and dimension, making it a must-have for autumn-inspired arrangements. This artfully curated display, combine with the Deep Burgundy Orchid Spray and Lambs Ear Spray to create luxurious seasonal arrangements that will appeal to discerning customers seeking distinctive artificial botanicals. The thoughtfully designed color palette and authentic appearance ensure year-round appeal for both residential and commercial spaces, offering retailers a reliable addition to their premium artificial flower selection.
