Dimensions: 4L x 120W x 120H

Description

This generously sized round mirror features a sleek black wood frame that adds depth and dimension to any space. The pristine circular form creates a focal point that reflects and amplifies light beautifully. Perfect for retail spaces seeking to offer customers a dramatic yet refined decorative piece. Pair this statement mirror with the Inca Stem Table Lamp or Leptis Magna Table Lamp for a cohesive modern aesthetic. For a coordinated collection, consider displaying alongside other black-framed pieces or the Amalfi Grey Column Candle Holder to create an impactful visual story that will resonate with design-conscious consumers. 1
