

Black Wood Round Framed Mirror

A contemporary circular mirror with a refined black wood frame. Creates instant visual impact in any space. Perfectly complements modern interior schemes.

- Circular design maximizes light reflection
- Non-ornamental frame suits multiple decor styles
- Matches with window mirror variants

Code: 23332
Dimensions: 4L x 90W x 90H

Description

Featuring a sleek circular design with a modern black wood frame, this mirror adds depth and character to any interior space. The minimalist aesthetic makes it an ideal focal point for contemporary homes and retail environments. Pair seamlessly with the coordinating Black Wood Window Mirror for a cohesive look, or create an engaging contrast with the Washed Wood collection mirrors. The clean lines and substantial presence complement table lamps from our Pula and Incia collections, perfect for creating layered lighting schemes in sophisticated spaces.
