Layers additional texture into arrangements

Ideal alternative to dried for anyone with allergies

Code: 22106

Dimensions: 30L x 30W x 120H

Description

Introducing a luxurious alternative to traditional dried pampas grass that brings lasting beauty to any space without the common allergy concerns. This bleached faux pampas stem features an airy, cloud-like plume that gracefully catches light and movement, creating an organic focal point in any arrangement. The neutral bleached tone works seamlessly with contemporary décor schemes while adding subtle texture and depth. Perfect for retail displays, this maintenance-free stem maintains its pristine appearance without shedding, making it an excellent investment piece for your customers. For a curated look, pair with our collection of stoneware vases and glass candle holders to create stunning visual merchandising opportunities that will inspire your customers. The versatility of this piece extends through all seasons, offering endless styling possibilities for both residential and commercial spaces.
