### Description

This is the Bloomville Squat Stone Vase. A wonderfully earthy and neutral piece that will hold broad appeal. Timeless, yet incredibly on-trend in the way that it highlights the beauty of a naturally occurring texture - stone. The Bloomville collection gains added texture from the vertical scoring to the body of each piece and the grey lip. Don't miss other additions to our Bloomville Stone Collection - ceramics all delivered in a complementary stone finish. This range will provide a stylish update to homes and venues and complement a wide variety of interior decor styles. Please note, this vase's intended purpose is for faux flowers: if customers wish to display real flowers in these they must use a florist's cellophane wrap to contain water.
