Description

This is the Bloomville Stone Ginger Jar. A wonderfully earthy and neutral piece that will hold broad appeal. Timeless, yet incredibly on-trend in the way that it highlights the beauty of a naturally occurring texture - stone. For a matching larger version see 20730 and don't miss other additions to our Bloomville Stone Collection - ceramics all delivered in a complementary stone finish. Please note, this vase's intended purpose is for faux flowers: if customers wish to display real flowers in these they must use a florist's cellophane wrap to contain water.
