Description

Introduce an organic touch to your retail space with our dried Bunny Tails, featuring soft, fluffy plumes that create a gentle interplay of light and shadow. These tall stems offer exceptional visual interest with their natural, neutral tones that perfectly suit modern interior styling preferences. Whether displayed solo in slim-necked vessels or combined with complementary florals, these adaptable stems bring depth and dimension to any arrangement. For an enchanting display, pair with our white pampas grass for additional texture, incorporate mini cosmos sprays for delicate contrast, or blend with lavender sprays to create a meadow-inspired aesthetic. The collection's understated beauty makes it particularly appealing to design-conscious customers seeking to build layered, textural displays. Consider merchandising alongside our Darcy vases, dried white bunny tail bunches, and natural amaranthus for a cohesive botanical collection that appeals to contemporary decorating sensibilities.
