Description

From our exclusive Recipe Collection comes this meticulously detailed cream dahlia, offering a stellar addition to neutral interior schemes. The short-stemmed bloom presents lifelike petals in warm café au lait tones, reflecting authentic botanical artistry at its finest. For maximum visual impact, we recommend pairing with our curated selection of complementary accessories - the matt white Regola ceramic vase provides a modern foundation, while layering with Eucalyptus sprays, Lambs Ear, and delicate Gypsophila creates depth and dimension. The addition of Pussy Willow branches introduces vertical interest, while Seeded Eucalyptus stems provide essential texture. This arrangement solution delivers consistent sales potential across seasons, appealing to both traditional and contemporary retail environments.
