Description

Experience outdoor living at its finest with this meticulously crafted two-seater sofa that marries resilience with refinement. The intricate 5mm half-round HDPE wicker weave creates an authentic natural appearance while offering superior weather resistance and durability. The thoughtfully designed construction features a lightweight aluminum frame that defies corrosion, complemented by sustainably sourced acacia wood feet that add an organic touch. The plush Olefin fabric cushions maintain their vibrancy through sun exposure and unexpected showers, drying quickly to ensure constant readiness for use. This exceptional piece requires minimal maintenance, with simple soap and water cleaning sufficient to maintain its pristine condition. For the complete outdoor entertainment space, pair this sofa with our curated selection of accessories - the sleek Black Wood Round Framed Mirror adds depth to your exterior wall space, while the contemporary Pula and Pella table lamps create an intimate ambiance for evening gatherings. The Leptis Magna lamp collection offers additional lighting options to extend your outdoor enjoyment well into the evening.
