Description

This is the Celina Mirrored Wall Clock. A stunning 3 panel wall clock with contemporary metal work skeleton style clock face over clear glass mirror. This item's mechanism is on the reverse side of the central panel and takes 1 x AA battery. This wall clock is the perfect size to use as a focal point over a console table and will add a contemporary finishing touch to a variety of homes. As well as its stylish looks and functional time keeping it will also add additional light and the illusion of extra space to a space, thanks to its mirrored finish. Use the hanging loops on the reverse of this piece to hang it with ease.
