- Unique black wire framework
- Modern architectural statement
- Versatile design aesthetic

Code: 23585
Dimensions: 10L x 61W x 61H

Description

A contemporary wire-framed mirror that offers a striking industrial aesthetic, perfect for trade customers seeking distinctive design elements. Its intricate black wire construction provides visual depth and architectural interest, making it an ideal statement piece for modern interiors. Pair this mirror with matte black accessories like hammered vases or minimalist stem table lamps to create a cohesive design narrative that will appeal to design-conscious retailers and their customers 1
