

Closed White Protea

Chosen for its realism
Handcrafted
From our popular 'Recipe Collection'

Code: 20484
Dimensions: 12L x 8W x 67H

Description

Transform your artificial flower selection with our exquisite faux Closed White Protea stem. This meticulously crafted artificial bloom captures the unique beauty of Protea cynaroides in its budding stage, showcasing tightly packed creamy-white petals forming a captivating spherical shape. Pair this showstopping stem with eucalyptus sprays and pampas grass for a chic, contemporary look. Its neutral palette allows for seamless integration into various color schemes, appealing to a wide range of customers.
