

Cream Cosmos Spray

Beautiful Cream Cosmos blooms with their characteristic, wispy foliage which will add fullness as well as interest to any arrangement.

- Chosen for its realism
- Handcrafted
- from our popular 'Recipe Collection'

Code: 19572
Dimensions: 17L x 22W x 36H

Description

This is the Cream Cosmos spray. A single spray of cream cosmos with the wispy foliage typical of this flower variety. This stem will take you through summer to autumn with ease and is perfect for informal arrangements. Display an odd number in a vase of your choice to bring instant softness to a space, or mix with some foliage for a fuller bouquet.
