

## Cream Gypsophila Spray

Delicate Gypsophila blooms create an airy, cloud-like presence, complementing a range of interior styles. Versatile and nature-inspired, this faux floral is a must-have for trade customers seeking to elevate their product offerings. Captivating and serene, it will elevate any space with its charm.

Ethereal Gypsophila blooms form a captivating, cloud-like cluster

Versatile neutral palette complements diverse interior styles

Nature-inspired faux floral elevates any space with serene charm

**Code:** 23847

**Dimensions:** 0L x 0W x 106H

### Description

Delicate yet captivating, our Cream Gypsophila Spray brings an ethereal touch to any setting. Botanically known as Gypsophila, these diminutive blooms form an airy, cloud-like cluster, exuding a sense of lightness and grace. Pair this versatile faux floral with lush greenery or incorporate it into minimalist arrangements to create a serene, nature-inspired ambiance. Its neutral palette complements a wide range of interior styles, from rustic-chic to modern farmhouse, making it a must-have for trade customers seeking to elevate their product offerings.
