Dimensions: 0L x 0W x 70H

Description

Graceful and delicate, our Cream Gypsophila Stem is a stunning addition to any floral arrangement or decor. Also known as Baby's Breath, this faux floral features clusters of small, white blooms that create an airy, ethereal look. Pair it with bold florals or greenery to add a softening touch, or use it alone to create a minimalist, nature-inspired display. Its versatile design complements a variety of interior styles, from modern to rustic, making it a must-have for any trade customer's inventory. Elevate your offerings with this beautiful, botanical-inspired piece.
