Dimensions: 0L x 0W x 78H

Description

Graceful and ethereal, the Cream Pearl Clematis Spray exudes a timeless elegance that will captivate your customers: featuring delicate, creamy-white blooms with a hint of pearl, this faux floral arrangement beautifully mimics the natural beauty of the clematis flower, and is artfully crafted with attention to detail, where each petal and leaf is meticulously designed to create a lifelike visual that can be seamlessly integrated into a variety of interior styles, from the serene and minimalist to the lush and romantic, inviting customers to pair it with other soft-hued botanicals, such as hydrangeas or peonies, to create a harmonious, nature-inspired display, or contrast it with bold, vibrant colors for a striking focal point, making the Cream Pearl Clematis Spray a must-have addition to any store's floral offerings, promising to enchant and delight customers.
