Dimensions: 0L x 0W x 61H

Description

Introducing the captivating Cream Pincushion Protea Spray, a stunning addition to any floral arrangement or home decor. This faux floral marvel features the iconic, intricate blooms of the Protea, a beloved South African wildflower known for its striking appearance and long-lasting beauty. The delicate, cream-colored petals create a soft, elegant focal point that will instantly elevate any space, while the lush foliage and sturdy stem provide a natural, organic touch. Pair this versatile spray with other neutral-toned botanicals or vibrant blooms to create a cohesive, visually striking display that will impress your customers and transform any interior style, from modern minimalist to rustic chic.
