Description

This is the Ople Vase, part of our Darcy vase collection. This collection encompasses a great mix of traditional and contemporary shapes. The Darcy Ople Vase combines a contemporary shape with a timeless colour that will suit modern minimalist and cosy country chic homes alike. The natural stone finish to this elegant vase allows you to layer extra texture into a space and the slim neck of enables the stylish display of a small number of stems. The Darcy vases team beautifully with our faux flowers and are intended for faux rather than real flowers: if customers wish to display real flowers in them, they must use a florist's cellophane wrap to contain water.
