Description

This is the Darcy Stone Ginger Jar. This stylish, handcrafted ginger jar in a characterful stone finish is the perfect finishing touch for the home. Ginger jars are fantastic not only for small storage and ornamental value but the slim neck also enables the elegant display of a small number of faux stems. This jar would look elegant styled alone or fabulous displayed as a pair for maximum impact. Matching, smaller vase available. Please note, this vase's intended purpose is for faux flowers: if customers wish to display real flowers in these they must use a florist's cellophane wrap to contain water.
