### Description

This is the Darcy Stone Planter, part of our Darcy vase collection. This collection encompasses a great mixture of traditional and contemporary shapes. The Darcy Stone Planter combines an elegant shape with a timeless colour that will suit modern minimalist and cosy country chic homes alike. The natural stone finish to this elegant planter allows you to layer extra texture into a space. This Darcy planter teams beautifully with our faux plants and is intended for faux rather than real plants: if customers wish to display real plants in it, they must use a florist's cellophane wrap to contain water.

Please Note: The flowers and plants used in the product photography are used for illustrational purposes only and are not included with the planter.
