Description

Elevate your floral offerings with our exquisite Deep Red Rose, a stunning artificial bloom that captures the timeless beauty of Rosa 'Black Baccara'. This luxurious faux flower boasts rich, velvety petals in a captivating deep crimson hue, reminiscent of fine burgundy wine. The realistic stem and lifelike leaves complete the illusion, making it nearly indistinguishable from its living counterpart. Perfect for creating long-lasting, sophisticated arrangements, this artificial rose is ideal for upscale boutiques, luxury hotels, and discerning homeowners seeking enduring elegance. Pair with cream-colored peonies and eucalyptus for a romantic, vintage-inspired bouquet, or combine with deep purples and golds for a regal, opulent display. Style these roses in sleek, modern vases for a contemporary look, or arrange them in antique brass vessels for a touch of classic charm. Their versatility complements various interior styles, from minimalist chic to maximalist grandeur. Offer your customers the opportunity to enjoy the timeless allure of roses year-round, without the need for maintenance. This Deep Red Rose is the perfect addition to any artificial floral collection, promising to bring a touch of luxury and sophistication to any space.
