

## Draftsman Adjustable Bar Bistro Table

A real statement piece, perfect for creating the ultimate entertaining space. This stylish bar table's height is adjusted with a crank arm making it possible to set it whatever height suits the occasion. The perfect focal point within an industrial decor scheme.

- Industrial styling
- Handcrafted
- Beautifully made and incredibly stylish

**Code:** 19926  
**Dimensions:** 70L x 70W x 108H

### Description

Industrial charm meets functional design in this adaptable bar bistro table, which seamlessly unites raw materials with mechanical ingenuity. The weathered wooden top provides an authentic workshop feel while resting upon a structurally impressive metal framework that incorporates a vintage-inspired crank mechanism. This detail allows for smooth height adjustments between 78cm and 108cm, making it an ideal choice for various hospitality settings from upscale hotels to trendy urban cafes. The circular table surface creates an inviting atmosphere for social gatherings, while the mechanical elements add visual interest and conversation value. To enhance the industrial aesthetic, consider pairing with the Chico Black Large Wire Mirror, which echoes the metalwork elements, or add ambient lighting with the industrial-styled Uthina Table Lamp. The Matt Black Hammered Vases with Lids provide complementary decorative touches that reinforce the materials story, while the Darcy Antique White Vase offers a deliberate contrast that highlights the table's robust character. This combination of accessories creates a cohesive design narrative that will resonate with customers seeking authentic industrial style with genuine functionality. The table's ability to adapt to different heights makes it particularly valuable for establishments that transition from daytime café service to evening cocktail hours, providing excellent return on investment through its multi-purpose capabilities.

### Specification

Length:	70cm	Barcode:	5050140992692
Height:	108cm	Colour:	Black, Brown
Width:	70cm	Material:	Metal, Wood
Weight:	28.2kg	Inner Qty:	1
