

Flat Top Large Black Lantern

Modern black lantern with clean lines and geometric styling. Creates dramatic ambient lighting effects. Perfect for indoor/outdoor use and pairs beautifully with mixed metallic accessories.

- Contemporary metal construction
- Multiple size options available
- Adaptable for indoor/outdoor placement

Code: 22999

Dimensions: 20L x 20W x 79H

Description

Introducing a modern architectural statement in metal craftsmanship that brings depth and luminescence to any setting. The stark black finish and clean-lined silhouette create dramatic lighting effects when paired with LED wax candles, while the geometric form adds contemporary flair to both indoor and outdoor spaces. This generously proportioned lantern offers endless styling possibilities - arrange alongside our aged stone ceramic vases and apothecary jars for a curated display that balances industrial and organic elements. For maximum visual impact, consider clustering with different sizes from the same collection, or mix with our burnished brass lanterns to create an eclectic metallic story. The minimalist design complements our woven ceramic table lamps and Regola matt white vases perfectly, allowing you to build a cohesive product range that appeals to design-conscious customers seeking statement lighting and decorative pieces.
