Bespoke beaded frame construction

Coordinates with multiple pieces from same series

Code: 24193

Dimensions: 2L x 40W x 50H

Description

Nestled within the distinguished Flora & Fauna Collection, this illustrated mallard artwork merges refined artistry with natural authenticity. The beaded frame's meticulous detailing provides a luxurious border that enhances the delicate linen canvas, creating an atmosphere of understated refinement. The careful attention to ornithological detail in the mallard illustration demonstrates superior artistic skill, while the neutral palette ensures seamless integration into diverse interior schemes. This piece belongs to an extensive series featuring waterfowl and shorebirds, making it perfect for creating coordinated wall displays. For maximum visual impact, pair with complementary pieces from the collection such as the Sandpipers, Plovers, and Grove illustrations, each sharing the same refined beaded frame treatment and linen background. The subtle beige tones and precise linework unite traditional subject matter with contemporary presentation, appealing to clientele who appreciate both classical and modern design sensibilities.
