Professional beaded border construction

Code: 24191
Dimensions: 2L x 62W x 45H

Description

This graceful wall art presents shorebirds in a refined composition on natural linen, beautifully framed within an ornate beaded border from the distinguished Flora & Fauna Collection. The thoughtfully curated artwork delivers a harmonious balance of wildlife portraiture and understated coastal influences, making it an astute choice for discerning clientele. The muted palette and textural elements create an atmosphere of serenity, while the intricate beaded frame provides subtle luxury that appeals to design-conscious consumers. This piece coordinates seamlessly with complementary works from the collection, including the Grove on Linen artwork which shares similar styling cues and materials. For maximum visual impact, consider pairing with the Watercolour Delicate Fern and Bracken Art pieces, which echo the organic themes and sophisticated presentation. The collection's cohesive design language allows retailers to create compelling merchandise displays that resonate with customers seeking refined wall décor. Each artwork in this series demonstrates meticulous attention to detail in both subject matter and presentation, ensuring strong appeal in upscale retail environments. The versatility of the neutral colour scheme ensures broad market appeal, while the classic beaded frame construction guarantees long-term durability and customer satisfaction.
