- Pairs with LED garlands and glass accessories

Code: 22749

Dimensions: 12L x 12W x 180H

Description

A stunning winter-themed garland that mingles delicate frosted pine branches with silvery eucalyptus leaves, creating a mesmerising display of crystalline textures and organic forms. The interplay of frosty white tones against deep green foliage produces an enchanting visual effect that captures the essence of a winter wonderland. This luxurious piece spans an impressive length, making it ideal for grand entranceways, mantels, or as a centrepiece for seasonal merchandise displays. The careful arrangement of pine and eucalyptus elements offers dimensional depth and creates engaging shadows when illuminated. For an enhanced seasonal display, pair with our complementary Frosted Pine and Eucalyptus Wreath, adding depth with our Smoked Midnight Glass Candle Holders. The collection can be further enriched with our LED Winter Garland featuring Eucalyptus and Lamb's Ear for a gentle illuminated accent, while additions of Large Red Festive Berries and Snow Covered Branches provide perfect accent pieces to complete the winter theme. The garland's adaptable design allows for seamless integration into both traditional and contemporary settings, providing retailers with a high-appeal product that satisfies diverse customer preferences.
