Durable metal construction

Multiple size options for display flexibility

LED candle compatible interior

Code: 23002

Dimensions: 17L x 17W x 51H

Description

Modern design meets ambient functionality in this striking black metal lantern, featuring clean geometric lines and a sleek glass top that creates a stunning interplay of light and shadow. The contemporary silhouette brings architectural interest to any space while providing the perfect showcase for LED wax candles, creating a safe and atmospheric lighting solution. For maximum visual impact, pair with its smaller companion piece to create a dynamic multi-level display, and complement with the Athena Stone Hurricane Lantern for textural contrast. The Garda Grey Glazed Regola Vase and Platform Bouquet Vase in Sage Green make ideal companions, introducing organic forms that balance the lantern's linear geometry. Complete the arrangement with the distinctive Amalfi Grey Queen Chess Piece to add a layer of sculptural intrigue to your retail display. This carefully considered collection offers your customers endless possibilities for creating cohesive, designer-worthy spaces.
