Description

Drawing inspiration from Mediterranean gardens, this ceramic artichoke ornament showcases a radiant green glaze with delicate distressed effects that add depth and character to each piece. The carefully sculpted leaves create an enchanting play of light and shadow, making it an outstanding focal point for retail displays. For maximum visual impact, present alongside the coordinating Globe Green Artichoke Tea Light Holder, Large Globe Green Chianti Artichoke, or combine with the Garda Grey Glazed Tiber Vase and Eucalyptus Spray to create an alluring botanical collection that will entice your customers.
