### Description

Geometric precision meets luxurious design in this pair of hexagonal trays, featuring meticulous metallic gold detailing that catches light from every angle. The nested duo creates layers of visual interest, perfect for displaying curated collections or serving refreshments with polished flair. These trays coordinate beautifully with other pieces from our collection, particularly the Matt White Ceramic Column Candle Holder and Large Stone Ceramic Candle Holder for a cohesive tablescape. For maximum impact, style with our Garda Grey Glazed vessels or add organic contrast using our Variagated Eucalyptus stems. The combination of structured lines and reflective surfaces makes these trays essential pieces for retailers seeking to offer their customers sophisticated home accessories that blend function with artistry.
