

Green Eremurus Stem

The Eremurus stem, with its tall, slender form and cascading green foliage, effortlessly elevates any space. Pair it with other botanicals to create a harmonious, sophisticated display that complements a variety of interior styles. A must-have accent piece to captivate your customers.

- Tall, slender Eremurus stem with cascading green foliage creates a refined, elegant display
- Pairs beautifully with other botanicals to craft harmonious, sophisticated arrangements
- Versatile accent piece that complements a range of interior styles, from modern to industrial

Code: 23853

Dimensions: 3L x 3W x 88H

Description

The Eremurus, also known as the Desert Candle, is a stunning faux floral stem that brings a touch of natural elegance to any space. With its tall, slender form and cascading green foliage, this piece effortlessly captures the essence of a lush, botanical display. Pair it with other greenery, such as eucalyptus or olive branches, to create a harmonious and visually striking arrangement that complements a variety of interior styles, from modern farmhouse to industrial chic. Whether used as a standalone accent or incorporated into a larger display, the Eremurus stem adds a refined and sophisticated touch, elevating the ambiance of any room.
