Versatile faux botanical that complements a variety of interior styles

Creates visually striking floral arrangements when paired with other faux botanicals

Code: 23857

Dimensions: 21L x 21W x 90H

Description

The Green Giant Allium Stem is a stunning faux floral that brings a touch of natural beauty to any space. Featuring a spherical bloom of vibrant green florets, this artificial stem captures the essence of the allium flower, known for its unique and architectural form. Its lush, textured appearance adds depth and visual interest, making it a versatile accent piece that can seamlessly integrate into a variety of interior styles, from modern minimalist to rustic chic. Pair this captivating stem with other faux botanicals, such as eucalyptus or olive branches, to create captivating floral arrangements that will elevate your retail displays and online offerings. Embrace the allure of this Green Giant Allium Stem and let it inspire your customers to bring the beauty of nature into their homes.
