Description

Fresh and authentic, this Viburnum spray brings depth and texture to floral arrangements with its clustered blooms and lush foliage. From our curated Recipe Collection, it pairs wonderfully with *Gunnii Eucalyptus* for a modern botanical display, or create a monochromatic arrangement with *White Gypsophila* and *Wild Meadow Rose*. For added visual interest, consider displaying in the *Darcy Antique White Vase* or combining with *Purple Wildflower sprays* and *Lambs Ear* for a meadow-inspired composition. Perfect for retail displays, wedding décor, and hospitality venues seeking long-lasting, maintenance-free greenery.
