

Hampton Pocket Wall Clock

Takes 1 x AA battery

Code: 21614

Dimensions: 6L x 38W x 49H

Description

This grand pocket watch-inspired wall clock merges industrial heritage with refined sophistication. The commanding aged bronze frame houses a crisp white dial, adomed with bold Arabic numerals and classic spade hands that ensure perfect legibility from any angle. The Hampton's impressive scale makes it an instant focal point, perfect for retailers seeking distinctive statement pieces that resonate with design-conscious customers. The vocastile easthelic bridges multiple interior or tyles, making it an excellent addition to your product range. In traditional settings, it brings a touch of antiqued elegance, while in contemporary spaces, it adds industrial character and architectural interest. The timeless design works brilliantly in both residential and commercial environments, from grand entrance halls to boutque hotels and upscale efficies.
