Description

This is the Hand Painted Black And White Layered Abstract Painting. An elegant and well proportioned piece of wall art which will provide the finishing touch to a wide variety of spaces. Each unique piece has been individually handpainted which is obvious to see in person thanks to all the fantastic texture on display and although closely adhering to the same design, no two pictures will be completely identical. The brushed gold frame provides an ideal surround which makes this monochrome art work really pop when in situ on the wall. With fastenings already attached to the frame, this piece will be simple to hang and immediately enjoy.
