Description

Bring the outdoors in with this meticulously detailed foliage stem that showcases velvety, sage-toned leaves with delightful textural elements that mimic their living counterparts. Part of our distinguished Recipe Collection, this adaptable stem offers endless creative possibilities - whether woven into garlands, incorporated into table arrangements, or displayed in standalone groupings. The malleable wired construction allows for precise positioning and artistic expression, while the neutral green palette harmonizes beautifully with seasonal blooms. For a curated botanical display, pair with our Seeded Eucalyptus stems, White Gypsophila sprays, and Blue Eryngium Thistle for a meadow-inspired arrangement. Add dimension with our Small Stone Candle Holder to introduce ambient lighting and architectural interest to your display. The result is an arrangement that appeals to both visual and tactile senses, offering your customers endless opportunities for creative expression.
