

## Large Brown Triple Teasle Stem

**Code:** 22734

**Dimensions:** 0L x 0W x 85H

### Description

Introducing our Faux Large Brown Triple Teasle Stem - an exquisite botanical replica that encapsulates the rugged beauty of the English countryside. Inspired by the spiky seed heads of the native teasle plant, this lifelike stem effortlessly brings the outdoors into your space with its striking realism. Each element of this faux stem is designed to mirror the natural beauty of its living counterpart. From the intricate texture of the seed head to the earthy tones of the brown foliage, every aspect of this botanical creation exudes authenticity and botanical accuracy.
