Description

Inspired by coastal aesthetics, this ceramic shell bowl exemplifies superior craftsmanship through its intricate textural details and practical watertight construction. Unlike market alternatives made from resin, this distinctive piece offers exceptional durability and authentic material quality, making it a reliable choice for retailers seeking distinctive inventory. The bowl's adaptable design allows for multiple merchandising possibilities - from showcasing seasonal bulbs and florals to serving as an ice bucket for champagne or a luxurious bathroom accessory for rolled towels. For an cohesive coastal display, pair with the White Orchid in Stone Pot, Darcy Antique White Vase, or complement with our selection of potted Hebe plants. The bowl's neutral palette and sculptural form create endless styling opportunities for your customers while maintaining its position as a stand-alone statement piece.

Please Note: The flowers and plants used in the product photography are used for illustrational purposes only and are not included with the planter.
