- Sculptural botanical detailing
- Multi-season appeal
- Accessible storage solution

**Code:** 23221

**Dimensions:** 13L x 13W x 16H

### Description

Inspired by woodland aesthetics, this ceramic pine cone trinket dish combines artistic detail with practical storage functionality. The meticulously sculpted exterior replicates the intricate scales and textures found on natural pine cones, while the pristine ceramic finish adds a contemporary touch to this decorative piece. The removable lid provides convenient access to stored items while maintaining the ornamental appeal. This statement piece harmoniously blends with both modern and rustic interior styles, making it an ideal addition to any retail collection. For a cohesive botanical display, pair with our signature Cineraria Eucalyptus Spray, Seeded Eucalyptus Stem, or White Ceramic Fir Tree. The versatility of this piece extends throughout the seasons, from winter holiday arrangements to year-round decorative applications. The authentic pine cone design appeals to customers seeking organic-inspired home accents that maintain refined aesthetics. Consider displaying alongside our Ceramic Taper Candle Holder With Handle or Darcy Antique White Vase to create an appealing merchandise arrangement that encourages multiple purchases. The neutral ceramic finish ensures this piece coordinates seamlessly with existing decor elements, making it an accessible choice for diverse customer bases.
