- Dual-finish construction combines textural and smooth surfaces
- Neutral color scheme suits multiple design styles

Code: 23657
Dimensions: 22L x 22W x 35H

Description

This monumental stone effect pinecone ornament embodies the intersection of raw authenticity and refined aesthetics, with its meticulously detailed surface enhanced by luminous gold accents that catch and reflect light from every angle. The substantial scale and dimensional texture create an extraordinary focal point that instantly draws attention, while the organic patterns mirror the mathematical precision found in natural pinecone formations. The fusion of earthy stone textures with metallic embellishments positions this piece as an outstanding choice for retailers seeking distinctive inventory that resonates with design-conscious consumers. This statement piece performs exceptionally well when merchandised alongside our curated selection of complementary accessories, including the atmospheric Saturn Table Lamp with its neutral linen shade, or the Grey Glass Table Lamp which echoes similar tonal values. For an engaging chess-themed display, consider pairing with our Amalfi Grey or Athena Stone chess pieces, whose dignified profiles share the same commitment to sculptural excellence. The ornament's versatile stone and gold palette ensures seamless integration with both traditional and contemporary retail environments, offering stockists a reliable seller that maintains its appeal across seasonal transitions.
