

Large White Full Cherry Blossom Stem

Luxuriant white cherry blossoms capture spring's essence. Realistic petals create enchanting seasonal displays. Pairs perfectly with delphiniums and eucalyptus for professional arrangements.

Dense petal clusters

Weather-resistant materials

Year-round display value

Code: 22634

Dimensions: 6L x 8W x 100H

Description

Immerse yourself in the luminous beauty of cascading white blossoms that bring serenity to any space. Each stem features delicately arranged petals that create depth and movement, mimicking the graceful flow of real cherry blossoms in full bloom. Perfect for creating show-stopping seasonal displays, this stem pairs wonderfully with our White Delphinium for height variation, while adding Eucalyptus Spray and Filler creates a lush, organic feel. For a complete spring collection, combine with our Soft White Cottage Rose Stems and White Ranunculus Spray to achieve a balanced, professional arrangement that will enchant your customers throughout the season.
