Description

This is the Large White Orchid In Antique Stone Pot. Our floral brand, The Recipe, has curated an orchid collection of unmatched botanical accuracy. The attention to detail across their plentiful blooms, buds, visible root network and leaves really is second to none. This 5ft piece is the piste de resistance of the collection, boasting a beautiful distressed stone pot and supporting canes which add to its realism and premium quality finish. The perfect, premium quality floral focal point for any number of spaces that will elevate the feel of a room.
