Description

The Large Whitewash Wicker Basket Butler Tray is a beautiful piece of furniture that's finished in a whitewash, still allowing glimpses of its original wood tone to shine through. It is handcrafted to maximise practicality, use it for styling and functional uses such as holding a cup of coffee. Suitable for many spaces, the Butler Tray Table comes in two parts, the wicker basket is separate to the frame which makes it easier to dismantle and store if required for a smaller area.
