

## Light Purple Chrysanthemum

A lifelike light purple chrysanthemum with expertly layered petals. Creates maintenance-free displays year-round. Pairs beautifully with LED candles and complementary stems.

- Long-lasting artificial bloom
- Multi-layered petal design
- Maintenance-free display option

**Code:** 22717

**Dimensions:** 0L x 0W x 54H

### Description

Introducing a botanical marvel in the form of a delicately tinted light purple chrysanthemum, this artificial bloom mirrors the intricate layering and petal architecture of its living counterpart. Each stem showcases expertly crafted petals in a soothing lavender hue that adds depth and dimension to any floral arrangement. Perfect for creating year-round displays in retail environments, this artificial flower brings consistent beauty without maintenance concerns. For an artfully curated collection, pair with our Pale Green Blue Chrysanthemum for tonal harmony, or create dramatic contrast with the Large White Poppy Stem. The addition of LED candles from our Luxe Collection, particularly the Natural Glow series in cream or white, provides ambient lighting that enhances the chrysanthemum's subtle color variations. Complete the display with the Purple Chrysanthemum Bouquet to create a cohesive, professional arrangement that will appeal to discerning customers seeking lasting, maintenance-free florals.
