Description

Featuring an authentic Indian hardwood acacia surface with distinctive live edge detailing, this bar table merges raw organic beauty with industrial design. The metal frame provides a sleek contrast to the natural wood grain, making it an attention-grabbing centerpiece for entertainment spaces. Perfect pairings include the Franklin Hardwood Shaped Barstool, Live Edge Collection Bench, and Chico Black Large Wire Mirror for a cohesive industrial-meets-natural aesthetic. Add the Incia Stem Table Lamp to enhance the ambiance and complete your sophisticated home bar setup.
