Description

Immerse your space in gentle radiance with this ambient taupe LED wax candle, featuring a realistic dripping effect that mimics natural candlelight. Part of the distinguished Luxe Collection, this piece brings understated luxury to any interior setting. Perfect for creating atmospheric displays when grouped with varying heights from the same collection, or paired with our Natural Glow ribbed candles for textural contrast. The neutral taupe finish complements our white poppy stems for an arresting tabletop arrangement that will appeal to design-conscious customers seeking alternatives to traditional lighting options.
